

# **Invitation for Prequalification**

## **State of Palestine**

### **MISILYA AND JARBA SANITATION SYSTEMS**

*Component 1- Sewage collection system for Misilya and Jarba*

*Component 2- Individual and semi-collective facilities for Misilya and Jarba*

*Component 3- Misilya Wastewater Treatment Plant*

*Grand number : CPS 1018-2*

The Palestinian Water Authority - PWA has received fund from the Agence Française de Développement (AFD) toward the cost of the MISILYA AND JARBA SANITATION SYSTEMS and it intends to apply part of the funds to payments under ONE contract for:  
Component 1- Sewage collection system for Misilya and Jarba  
Component 2- Individual and semi-collective facilities for Misilya and Jarba  
Component 3- Misilya Wastewater Treatment Plant – constructive wetland

PWA intends to prequalify international contractors "constructors" for construction the three components that mentioned above under ONE contract. It is expected that the completed bid documents “drawings, spec, BOQ and ect” will be distributed to the shortlisted bidders in June-July 2014.

Interested eligible applicants may obtain further information from and inspect the prequalification document at the PWA office or PWA website [www.pwa.ps](http://www.pwa.ps).

A complete set of the prequalification document in English may be download FREE from either [www.pwa.ps](http://www.pwa.ps) or DGmarket web site or by sending an e-mail to: [naelali2@yahoo.com](mailto:naelali2@yahoo.com)

Applications for prequalification should be submitted in sealed envelopes, delivered to the address below by 23 of April 2014 and be clearly marked “Application to Prequalify for MISILYA AND JARBA SANITATION SYSTEMS, Invitation for Prequalification No.: AFD1018/2/2014, ICB No.: PWA\MJWSSC\AFD\2014
