## 2. THE EVALUATION PROCESS

### 2.1. Brief description of the evaluation process:

As stipulated in the request for Expression of Interest (Eoi) shown in Annex 1, the following requirements are asked to be provided by interested firms:

The PWA now invites eligible consulting firms and institutions (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The short listing criteria are: Core business and years in business, experience in similar assignment, and organization of the firm including key expertise.

The evaluation committee met on 8 July, 2015 and carefully studied those requirements. Then each member starts his evaluation individually.

After each member completed his evaluation, a meeting was conducted to discuss the results and the comments of each member to the Expression of interests on 13 July 2015.

The overall evaluation was conducted considering the criteria mentioned above.
